

**ALL SAINTS' CHURCH OF ENGLAND
PRIMARY SCHOOL**

Greetings from All Saints School!

We hope that you all enjoyed the summer sunshine, it made for a lovely summer holidays.

School life is back in full swing with our new Reception children starting full time on Monday Sept 19th.

Our talented music and drama teacher Mrs Brown is organising the school play and this week the children will be auditioning for a part in Charlie and the Chocolate Factory. It has been a Roald Dahl themed summer with a number of the children completing the BFR (Big Friendly Read!) at our local library and this term school began with a Roald Dahl quiz.

There are various sporting opportunities coming up this term, including a swimming gala, netball tournament and the gruelling Stockland Cross Country race!

At this time of year we are turning our thoughts towards Harvest time and the annual Harvest Festival Service held in the church, a time for the school to give thanks for all the good gifts we have received.

ALL SAINTS & DISTRICT W.I.
President: Bev Walsh. 01297 32899

All Saints and District WI was treated at the September meeting to a hugely entertaining talk about the "Cerne Abbas Giant", given by Robert Rhodes from the National Trust.

A 180 feet high figure carved into the chalky hillside situated in an area of outstanding natural beauty in Dorset. The Giant attracts many visitors to the local village of Cerne Abbas and is surrounded by many myths and legends, amongst others of fertility. The date of the Giants creation remains a mystery, but it can be traced back through various records to a date shortly after the death of Oliver Cromwell in 1658. Re-chalked every 10-15 years, which involves 40 tonnes of chalk, around 60 volunteers, taking 9 days at a cost of £3000.

Its next maintenance will coincide with the anniversary of the National Trust ownership of the giant in 2020.

Our next meeting will be held on October 11th at **2.30,pm** the subject will be Cake Icing given by Sue Reynolds. All visitors will be warmly welcomed.
